New Cop Executive Is Approved, 3-2

Over "no" votes of two councilmen, the new job of assistant police chief was created Monday night.

The $542-$628 a month position was opposed by Councilmen Del Wilson and Micheal De Bernardi.

In passing on the controversial assistant chief job, the council also created a captaincy on the police force, $468-$542, and changed title of fire captain to battalion chief. In addition, duty statements for 43 current city jobs, never formally approved, were adopted.

De Bernardi argued that the assistant chief job was not needed now "from a cost factor." He said administrative costs were climbing too rapidly, and compared Daly City with a business that was "eating up its overhead too rapidly in many departments in proportion to the growth of the departments."

He pleaded unsuccessfully to vote on the assistant chief, battalion chief and fire captain jobs separately.

Wilson echoed the same sentiments, urging the council to "look toward economizing." He said elimination of the new administrative jobs would be the best temporary measure to cut costs.

Councilman Paul Hupf moved to accept all the new jobs, on recommendation of the personnel board, received a second from Councilman Sanford Vickers, and Mayor Joseph Verducci gave the motion a majority.

Charter Rule Topic At City Council

Charter government for Daly City received response, albeit mild, from city councilmen Monday night.

Queried by tavern owner George Kirchhubel about their reaction to charter, or home rule government, two councilmen indicated it might be advantageous, one withheld statement until further study, while two had no comment.

Councilman Del Wilson said charter government was "fine, if you get a good board of freeholders to draft the charter." Wilson said he personally liked charter government "because it gives home rule."

Councilman Michael De Bernardi said he was in accord with district representation on the council, which could be made possible under charter.

De Bernardi remarked, however, that "It's been said charter rule is the 'epitome of government,'" but pointed out that San Francisco is governed by this method.

He said he really had no opinion as yet.

"I'm reading up on charter government now," declared Councilman Sanford Vickers.

Mayor Joseph Verducci and Councilman Paul Hupf did not comment on the question.

Kirchhubel said he was mainly concerned with the election by districts and establishment of a nine-man council. "The old timers haven't had representation for years and years. I hope you give this serious consideration," he said.

Prior to the regular meeting the council briefly discussed charter government and City Manager Howard Stites told councilmen that they could initiate the charter form of government by appointing a 15-man board of freeholders to draft a charter.

The council could itself, or through a consultant, draft the charter and submit it to the electorate for approval.

Other method is by initiative and requires signatures of 15 per cent of the registered voters to call an election on whether a freeholders charter commission shall be established.

Businessman For Trustee Ires Group

A seven-person citizens selection committee was named this week to fill the vacancy on the Jefferson Elementary School District board of trustees created by recent resignation of Henry Kraus.

Peter Markovich, head of the committee named by county superintendent of schools James Tormey, indicated that the person selected by his group would probably be someone with a "business' background.

The newly-formed Citizens Committee for Better Schools immediately issued a statement taking exception to this tentative policy, charging that "the current board is overwhelmingly composed of individuals with backgrounds in business and real estate."

Other Members

Included on the selections committee with Markovich are: Katherine Mullen and Joseph Lewkowitz, present elementary board members; John Newton, Colma florist; Edward Dennis Sr., labor leader and former city councilman; Frank Blum, city attorney; and Mrs. Robert Woods, housewife and library commissioner.

Markovich declared, "We'll try to select a person concerned with educational aspects and expenditures — probably a business-type person. We have so-called business men now, but not enough of them. We'd like a businessman or business woman with a good substantial background. We can't leave the women out."

The chairman declared his committee would meet within a week to submit a tentative list of

(Continued on Page 2)

STATE OK ASKED ON FOUR MAJOR SCHOOL PROJECTS

Applications for state apportionments for four major school building sites were approved by the Jefferson Elementary School district trustees Wednesday night at a marathon 1:20 a.m. session.

Requests for state aid were issued for Westlake basin and Abraham Lincoln sites in Westlake, M. Pauline Brown site off Edgemar road, and parcels for additions to the Jefferson school on Allemany.

The board also re-affirmed action taken at a special "illegal" meeting last week in making application for state funds for the new 10-acre replacement for Gen. Pershing school, which would be located on the 400 block of Hanover street.

There are 43 property owners involved in this proposed transaction and the site may cost close to $500,000."

Resolution of necessity for the Westlake basin 18.6 acre site, another parcel which could cost the district close to half-million dollars, was tabled because only three trustees were present and the resolution requires a four-fifths vote. The resolution will be first step toward condemnation of the land, owned by Henry Doelger Builder, Inc., who has filed a map to subdivide the property for homes.

On the subject of acquiring the Gen. Pershing site the board considered hiring a paid negotiator on a per-day basis to contract the 43 property owners involved, but no action was taken.

In other property matters trustees advised the district attorney to proceed with condemnation on the enlarged M. Pauline Brown site. Several property owners will be involved.

Present at the meeting were trustees Katherine Mullen, Joseph Lewkowitz and Hartley Appleton.

City Manager's Pay Mystery: Budget Says $11,800 Year; He Gets $13,000

PAINSTAKING re-appraisal of all land and improvements in Jefferson Elementary School district is keeping the county's seven-man team plenty busy here. Allen J. Mierly (left) and Herbert Burtchaell are pictured sizing up a home on Hillside boulevard. Some local property hasn't been appraised since 1932. Results of the survey will determine tax hikes or tax cuts for home owners. THE RECORD photo

A mysterious budgetary manipulation which for the past two years has shown the city manager's salary as $1200 per year less than the actual amount he receives was uncovered today by THE RECORD.

In the 1956-57 budget, Stites' department request and his own recommendation for salary is listed at $11,800, the figure set originally by council prior to Stites' hiring in 1955. The final 56-57 budget figure approved by the council, however, was changed to $13,000, the amount Stites has been receiving per year from the city since he started work here on April 4, 1955. This year's 7½ per cent pay raises for city employees brings his income to $13,991 per year.

Same Situation

The same situation was revealed in the 1955-56 budget, which listed Stites salary as $11,800 right across the board—departmental request, manager's request, and final council-adopted budget.

The $13,000 figure is legal all right, since on April 4, 1955, in Resolution 2165, the council appointed Stites at an annual salary of $13,000.

But the catch is, Stites was originally supposed to be paid $11,800 of his salary from the city, $1200 from the North San Mateo County Sanitation district for engineering services, as announced by the council prior to hiring Stites.

Two mysteries remain: why the council voted Stites the full $13,000 salary on April 4, 1955, when by previous agreement the sanitation district was to pay $1200 of the total; and, secondly, why the $11,800 figure has been consistently carried in the budget when the council established by resolution from the outset that they would pay him $13,000.

Never Served

As it turned out, Stites never served a day for the sanitation district, as a legal ruling held the two jobs to be incompatible. But this ruling was not made until late summe rof 1955, meaning that the council had no advance knowledge of it when they adopt-

(Continued on Page 2)

Architect Tells Jeff Safety Cost

A "cost conscious" estimate of $136,501 was presented to trustees Monday night as the amount necessary to bring Jefferson High up to safety standards as recommended in the recent fire marshal's survey.

Architect Mario Ciampi, submitting the report, reminded it was a "comprehensive figure," and the minimum outlay needed to meet state requirements.

Actual construction and materials would cost roughly $92,000, with the remainder covering overhead, architect's fees, contractor's profit, testing, inspection, and contingencies.

Trustees, anxious to get the work done but crippled by lack of funds, made a thorough inspection of the plant Tuesday morning with Ciampi. They are expected to give him the go ahead at a special meeting Monday night to prepare final drawings and bid specifications for the work.

Ciampi said it will take about 60 days to prepare final plans, and the actual work would require four months. However, funds for the project, one of many crucial district plans, won't be available unless voters approve the May 17 bond issue and state aid issues at the polls.

Superintendent Edward D. Morgan said bids for the safety work will be advertised just before the election and opened shortly thereafter. Passage at the polls will allow the district to authorize the work this summer.

Ciampi added that the old high school actually isn't in too bad shape considering its age. State safety codes have changed through the years and are much more strict, he noted.

Trustees Monday night signed all the necessary papers to file with the county for the all-important May 17 election. Morgan will be in Sacramento this Friday to consult State Division of School Planning officials on the $2,900,000

(Continued on Page 2)

EDITORIAL

PLAY THE 'BRASS' BAND

Another new administrative face will be added to the city payroll as a result of the council's action Monday night.

Latest in the long parade of officialdom to Daly City is the assistant police chief, whose salary will start at $542 or more and go as high as $628.

The position is of highly questionable necessity and we take heart in the fact that at least two councilmen had the fortitude to vote against it.

As one councilman remarked, "administrative costs are climbing too rapidly. The overhead is climbing rapidly in many departments in proportion to the growth of the departments."

The other councilman who cast a negative vote pointed out that the best temporary means of economy was to cut down on new administrative positions.

Ideally, the police department would be staffed by the chief, his assistant, an assistant assistant, a battery of captains, four score lieutenants and a 100 or so police officers . . . a law enforcement officer on every block and an executive for every two patrolmen.

Multiply this by each department and you would have utopian government.

Unfortunately, the tired old bromide expresses the situation aptly: "You can't have your cake and eat it too."

There is a limit to the amount of services a community can provide its citizens.

Providing services with the city's commensurate ability to pay for them is one of the important functions of a city councilman.

The council must come to this realization before major economies can ever be effected.

JESD Hit By $75,000 Damage Suit

A former Colma resident Thursday filed a $75,000 lawsuit against San Mateo County and the Jefferson Elementary School district, claiming school officials were negligent in allowing her 11-year-old son to take home his younger brother on a bicycle.

The action was filed by Mrs. Lois M. Kerwin, now living in San Rafael, and her son Richard, 11, who was injured.

The incident happened early last year when Mrs. Kerwin's youngest son, Thomas, 6, became ill at Garden Village school. School officials phoned the Kerwin home, and instructed Richard, only one in the residence at the time, to come to school to get his brother.

The older boy bicycled to the school, put Thomas on the handlebars, then headed for home. En route, Richard tumbled off the bike, suffering a brain concussion, face lacerations and the loss of two teeth. Thomas escaped injury.

SF COPS SMASH BIG BOOKMAKING RING IN W'LAKE

Police killed two birds with one stone Monday afternoon when they invaded a Westlake apartment to arrest an alleged abortionist and uncovered a $2000-a-day bookie headquarters.

Site of the raid which resulted in the arrest of four persons was a swanky five-room flat at 1053 South Mayfair.

San Francisco homicide inspectors, led by Lt. Al Nelder, stumbled across the bookie operation just by chance. Their original mission was to serve a warrant to Miss Gloria Cassazza, 28, on an abortion charge. Minutes later their objectives became two-fold.

While Nelder and Inspector Milton Piron stood outside the front door, getting no response after they rang the bell, Inspector George Asdrubale went to the rear door.

Miss Cassazza let Asdrubale in after he told her he was a termite inspector. He then rushed to the front door and Nelder and Piron stormed into the apartment, armed with the warrant.

Inside, they found Attilio Spagnuolo, 25, of San Francisco, taking bets over the phone. The startled Spagnuolo, quick to admit his guilt, said he was handling $2000 a day in bets on horse races and major league baseball games. He said they had used the "headquarters" since last Thursday.

The officers then took over the phone, and after some 40 minutes, reported about $200 in bets were called in. Most were $2 and $5 amounts, although some were for

(Continued on Page 2)

Accord Reached On City Improvements For Doelger Tract

Map for Westlake unit 9, along with an agreement from the builder to post a $25,000 bond to guarantee completion of $53,558.03 in municipal improvements, was approved by the city council Monday.

This cleared the way for Henry Doelger to start "immediate" construction of the first portion of a 630-home development west of Skyline boulevard just south of the Palisades.

Approval of the final map bogged down last week when Councilman Paul Hupf criticized City Manager Howard Stites for "acting much too fast" in drawing up the agreement with Doelger for completing municipal improvements.

Hupf objected to the fact that Doelger was bound to complete the improvements, including street lights, fire alarms, curbs, sidewalks, only by a written agreement and not by a bond for the full amount of the work.

Carl Timmons, representing the Doelger firm, said his company

(Continued on Page 2)

Next To Last Doelger Unit Wins Tentative Approval

Tentative map for what may be Henry Doelger's next to last major Westlake residential development, Unit 10, was approved by the planning commission Tuesday night.

The 1100-home unit will be located east of Skyline boulevard and south of Westmoor High school.

Already included in the tract are plans for Abraham Lincoln elementary school site, but the school district, in a letter to planners, notified the commission that further negotiations with the Doelger firm were being arranged to set aside more school site land.

Planners promised to take heed of the school's needs before approving final map for the unit.

Doelger's present subdivision plans call for only one more major housing unit besides 10.

Request for commercial zoning of the Schenone property, Parcels 3 and 3-A, were held over at request of Richard Lyons, attorney for the Schenones. It will be considered at the regular commission meeting April 9. The elementary school district is currently negotiating for additional property to augment the Margaret Pauline Brown school.

Action on Westlake Unit 1-A (the Westlake basin site sought by the school), was held over one month as announced earlier at request of Doelger. Doelger seeks to subdivide the property into 150-homes, while the school is eyeing the land for another site.

Application from Michael Callan for variance to eliminate required 15-foot setback for apartment buildings on Sullivan in the $75 Homestead was received and public hearing established for April 9. Callan plans to build four "swank" apartment units. The land is already zoned R-3, for apartments.

Commissioners postponed ac-

Cab Driver Swerves To Avoid Dog, Winds Up With Serious Hurts

A Hilltop Cab Co. driver who swerved on El Camino to avoid hitting a dog wound up in Junipero Serra hospital Tuesday morning with serious injuries.

William O'Neill, 55, of 1044 Gilman drive, was travelling north on El Camino in Colma when he swerved near F street intersection to keep from running over the animal. His cab careened into a concrete obstruction, practically demolishing the vehicle.

O'Neill was reported resting well at the hospital, after being treated for facial cuts which required 11 stitches, and suffering fractured ribs.

Candidate Withdraws From Brisbane Race

Frederick Schmidt, sole opponent against incumbent J. Fichera for the Brisbane Fire commission seat, today announced his withdrawal from the race.

He said his withdrawal did not mean he was supporting Fichera, chairman of the board. "Instead," he said, "I base my reasons on the act that I do not want to serve as a tool with which some of my support may have hoped to continue some private feuds or arguments that they may have had with members of the fire department and the commission."

Schmidt, an electrician, lives at 173 San Bruno avenue.

His name will still appear on the ballot for the April 1 election.

Schmidt said he was "deeply hurt by some of the rumors that had started" in the election campaign.

Long-Term Pact for Architect Assailed

Agreement which could bind them to services of Architect Mario Ciampi for several years was approved, 2-1, by the Jefferson Elementary School district trustees Wednesday, but legality of their action may be questioned.

The agreement was a contract for Ciampi to design school sites for Gen. Pershing replacement, Westlake basin, development of Jefferson Elementary and seven-classroom addition to Benjamin Franklin.

Chairman Katherine Mullen, who voted against the agreement, claimed that in effect trustees action amounted to a contract for Ciampi to not only design the sites but the schools to be erected on them.

"Maybe as far as I'm concerned we should have a new architect," she said.

Two Insufficient

There was some question as to whether two signatures on the agreement would be sufficient. Trustees Joseph Lewkowitz and Hartley Appleton approved the long-term contract, while trustees Michael Callan and Henry Kraus were absent.

Superintendent H. Z. Weibel was of the opinion that trustees should consummate the agreement, indicating that if the two signatures were not sufficient the district would be so informed.

Ciampi challenged Mrs. Mullen's contention that he was being given contract to design the buildings too.

"All we're doing, he said," is approving the site work so we can send plans to Sacramento," the architect explained.

Mrs. Mullen retorted that the wording of the agreement indicated Ciampi would not only handle the sites, but eventual design of the buildings.

"My complaint," she continued, "is that we don't even know what kind of school we're going to get until its too late."

Appleton declared that educational needs and design of the building was an administrative matter.

Lewkowitz suggested, "Why not have architects compete?"

Mrs. Mullen maintained that other district trustees participated in design of school buildings through recommending educational needs.

Accord Reached On City Improvements For Doelger Tract

(Continued from Page 1)

would be willing to extend an existing escrow agreement with the city which provided that $25,000 be set aside for faithful performance.

Hupf said he had no argument with this proposal. "I'm satisfied Doelger's promise is good, but I'm concerned with other builders with questionable finances," he related.

City Manager Howard Stites replied that the council had discretionary powers in approving agreements for improvements with other builders.

Mayor Joseph Verducci declared that the combination of a bond and an agreement "might be the right formula," adding that "the bond is big enough to weed out the unstable firms."

After debate on wording of a resolution, the council unanimously accepted the map, agreement and bond amount and stipulated specific improvements to be installed by Doelger.

ARD MERCIER family, 483 E street, whose home and furnishings were destroyed in a recent fire.

The Merciers have found a home to rent and have already been given much assistance from neighbors, but could still use a lot of things.

Those interested can call Mrs. Vallerga at PL 5-5522.

She'll even pick up donations.

The big anti-sales tax poosh in Redwood City, which this week found some 300 citizens circulating petitions, may be re-enacted shortly in Daly City.

The anti-ST group figures it'll get from 40,000 to 50,000 signatures county-wide on a petition requiring that a sales tax be put to a vote.

TEACHER SALARY SKED HELD OVER UNTIL MARCH 27

A new salary schedule, which when added to automatic increases under the existing formula would raise total teachers wages by $70,000 next year, was held over by Jefferson Elementary School district trustees Wednesday night.

Trustees will send a delegate to the next Classroom Teachers association meeting to negotiate further on the proposed schedule, and board decision will be made at the March 27 meeting, according to chairman Katherine Mullen.

City Manager's Pay Mystery

(Continued from Page 1)

ed the $13,000 salary on April 4, 1955. Assuming that he would be hired by the sanitation district as agreed earlier, the council should have established the salary from the city at $11,800, with the remaining $1200 to be paid by the sanitation district.

Evidence that the council expected Stites to be paid a part of his salary from the sanitation district is revealed in the district records.

On May 9, 1955, the minutes show that Stites was to attend the board meeting and give directors some idea of the work he'd do. He was unable to attend.

Stites finally attended a meeting on August 8, 1955, in an unofficial capacity.

Can't Make It

Directors held over Stites' outline of work until August 29, but Stites was unable to attend again.

Shortly thereafter, the opinion was given that Stites could not serve both governmental entities, but the city budget had been adopted well before that time with Stites salary at $13,000.

Nevertheless, that year's budget showed Stites, salary as $11,800, and this figure was officially recorded even up to last July, the only exception being the final budget figure entered by the council at $13,000.

Architect Tells Jeff Safety Cost

(Continued from Page 1)

bond issue and $8 million state loan. He'll return to the capital March 27 to firm the issues with the state allocations board.

Meanwhile, the board is busy canvassing the area to organize a district-wide Citizens' Bond committee for pushing the election. A steering committee of 15 people will be named as the nucleus of an all-out campaign to get voters' approval. Brisbane, Bayshore, Laguna Salada and Jefferson Elementary districts will be represented on the steering committee. All civic and social groups in these areas will be asked to participate.

District officials will open bids for Westmoor High site development on March 22, with trustees to consider the same on March 25. Morgan also is awaiting word from the district attorney as to how much bond and general fund money can be spent for Westmoor furniture.

The board approved trustee Donald Miller's motions opposing State Bill 507 on the mandatory unification of school districts and State Bill 401 calling for mandatory professional counsel on the county school committee. Trustees also voted to endorse Miller's motion supporting Senate Bill 3045 for more state aid to school districts. The latter, if successful, would bring $51,000 to the district and approximately $250,000 to Jefferson Elementary district.

SF Cops Smash Big Bookmaking Ring In W'lake

(Continued from Page 1)

$20.

Balich, whose car yielded betting markers for eight racing days, told officers he had come "to pick up winnings for the boys at a San Francisco firehouse."

Daly City police officers Roy Beecher, Jim Welsh and John Coleman, and an investigator from the district attorney's office, were promptly called to the scene.

Miss Cassazza, Spagnuolo and Balich, booked here on suspicion of bookmaking, were released on $500 bond each to appear in municipal court March 26. Williams, charged with vagrancy, posted $50 bail.

The Cassazza woman, who Nelder said admitted performing five or six abortions in private homes and motels, was transferred to San Francisco authorities for booking on that charge.

names.

Submit to Tormey

The committee will weigh 20 or 30 prospective trustees, then narrow this down to a list of two or three which will be submitted in order of preference to Tormey for his selection. Tormey has generally taken the first choice of selection committees, but has the authority to appoint someone further down the list.

The committee hopes to have its recommendations prepared in from two to three weeks, since Kraus' resignation takes effect April 1.

Person selected will complete Kraus' unexpired term, which ends on June 30, 1958.

The better schools group based their argument against appointing a business man to the post on the fact that three current members are in business fields. Lewkowitz operates a gas station, Michael Callan is a builder and developer and Appleton an attorney, and formerly associated with a glass company.

Lawrence D. Freiberg, president of the citizens schools group, said in a prepared statement, "The citizens committee believes that a sound appointment will be made only if the individual chosen has a background which will broaden the board's outlook on the educational as well as the administrative affairs.

Next To Last Doelger Unit

P. G. and E.'s Cooperative Trinity Plan will gain $310,000,000 for taxpayers and California water users

Trinity River Project is being built to provide more water for California. The Federal Government is building 3 dams and 14 miles of water tunnels to harness the Trinity River. As the water drops out of the mountains through the tunnels it can turn electric generators.

Here's the P. G. & E. Plan recommended to Congress by the Secretary of Interior

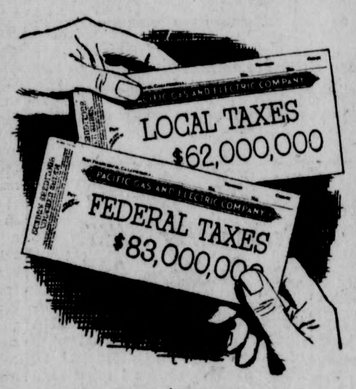
1. Electricity is a by-product of this water project, and P. G. & E. has offered to develop it, cooperating with the Government. Under the P.G.& E. Plan, the company will pay for the building of powerhouses, transmission lines . . . will pay State, Local and Federal taxes . . . *plus* paying for using the force of the falling water.

2. This plan was studied thoroughly and recommended to Congress by the U. S. Department of Interior. It is similar to other P. G. & E. cooperative plans with the Federal Government, cities, irrigation districts and other local agencies . . . which have been operating in a sound business way for many years, helping cut the cost of water and paying taxes.

3. It will mean a $310,000,000 benefit to water users and taxpayers. Here's how: Over the 50-year project repayment period, the government will gain $165,000,000 *net* from P. G. & E. payments for using the water; the Company also will pay $145,000,000 in State, Local and Federal taxes. Total gain—$310,000,000. P. G. & E. will build the $56,000,000 power facilities, thus cutting the cost of the project to taxpayers by 25%.

4. It will mean cheaper water and another source of power for all Northern and Central California at reasonable cost. Trinity power can be put to work efficiently and economically through P. G. & E.'s vast inter-connected system, already built and operating. The money gained would permit lower water rates for farmers, public agencies and industries. The power will be sold by P. G. & E., at no extra cost to the rate payers, at rates established by California Public Utilities Commission.

P. G. & E. will build the plants . . .



pay taxes . . .

pay Government for use of water . . .

Don't be fooled by those whose purpose is Government distribution of power

They want the Government to build the power plants and transmission lines and sell power on a Government-ownership basis. This would result in an unnecessary burden on taxpayers and water users, and use of the electricity at subsidized rates by only a favored few.

Other water developments, such as the San Luis Project, can be built in whole or in part with the benefits gained under the P. G. & E. cooperative plan for Trinity.

More than 200 cities, Counties, Chambers of Commerce, Civic Organizations have endorsed the P. G. and E. Plan, and the United States Department of Interior has recommended it as the best way to develop Trinity River electricity.

AN ANSWER FOR FRANCIS AND CNPA

In a three-page letter from Assemblyman Louis Francis and a one-page missive from the California Newspaper Publishers association we are scolded for our editorial opposing an amendment to the Brown act now before the state legislature.

We stated the amendments to the "secret meeting law" would emasculate the ban on star chamber sessions by allowing governmental boards to meet behind closed doors to "consider settlement of any claim, appraisal or acquisition of any property, or preliminary reports from chief executive or administrative officers."

Assemblyman Francis said in his letter that he wished "to clarify certain misconceptions and misunderstandings."

The CNPA correspondent, prefacing his remarks with the statement that our editorial policy was "none of my business," said he hoped we were "confused" when we ran this editorial.

The issue needs no clarification and we certainly were not confused.

We repeat that the proposed amendment will tacitly give governmental bodies the right to decide what is good for the people to know and what is not good for them to know. The electorate does not bestow this right on its representatives.

State controller Robert C. Kirkwood, in a press release issued this week, struck home when he said, "As government has grown we have seen how easily the smokescreen of bureaucracy can shield government from the scrutiny of the public and the press. We must wage a constant struggle to keep government open and directly answerable to the people."

By opposing any legislation which would give elected officials license to veil their activities, and by urging the public to join us in this campaign, we will keep government answerable to the

Daly City Resident Honored By Pontiac For Sales Achievement

Howard L. Petersen, long-time Daly City resident, was honored recently at a special banquet at the Fairmont hotel.

Petersen was feted by Pontiac Motor Division of General Motors for achieving membership in Pontiac's exclusive master salesmen's guild. A member of the Arata Pontiac firm in South San Francisco, Petersen was presented with the emblem of recognition for his "outstanding sales accomplishment."

A Jefferson High school graduate, Petersen lives here at 282 Los Olivos avenue. He has resided in Daly City 27 years.

He was at one time noted for his ability as a puppeteer, giving more than 8000 performances while with a major oil company.

His service experience includes five years in the Army Air Corps, during which he served in Palestine, Egypt, Tunisia, Lybia and Italy.

NEXT STOP for Mary Robertson in the Lions club speaking contest is studied by the Westmoor lass, her instructor, William Ardis (left), runner-up Bob Doane, and Roy Arneson (right), president of the Daly City-Colma Lions club. Miss Robertson narrowly edged out Doane last week in the first stage of the three-state competition as the two Westmoor students spoke on "My Place in the World of 1976." Both of the students are residents of Westview. Mary will compete in the zone contest March 19 at Brentwood Lodge. Judges for last week's competition were Stanford Hannah, former high school superintendent, Monte Dayton, of THE RECORD, and Frank Blum, Daly City attorney.

THE RECORD photo

DC MARKS BUSY SLATE DURING 'LIBRARY WEEK'

Adults and children in Daly City today are combining their efforts in observance of California Library Week, which began Sunday and runs through this Saturday.

Friends of the library, in cooperation with the Daly City Library and Boy Scouts of America, have arranged a program designed especially for Cub Scouts, to be held this Thursday afternoon at the DC Public Library, 6351 Mission street, starting at 3:30 o'clock.

Mrs. Marion Garthwaite, children's librarian of the San Mateo County Free Library, will show her collection of California Indian artifacts and will tell stories and legends in keeping with the March theme of Cub Scout activities. All local children are invited to attend this special story hour, the first of many planned here.

Visits to the Mission street library by school classes will be another feature of the week. Local teachers interested in bringing their classes for library instruction and appropriate stories are invited to contact the Mission street branch for appointments. This service is available throughout the year.

The second and last collection of prints from the Print Makers Society of California is now on display at the Mission street library, and will continue through this Friday. This exhibition of engravings, etchings, aquatints and similar graphic art forms is an annual event at the library.

Something For Everyone

This week, March 10-16, is California Library week. An annual event for the past several years, proclaimed by the governor and celebrated on a state-wide basis, it is the occasion for libraries of all kinds to bring to public attention what they have to offer. Originated by public librarians in the state, California Library week continues to emphasize public library activities.

The slogan selected for this year's celebration is "Try Your Library First," and it is a particularly apt one, since many people are partially, if not totally, unaware of what services their public libraries can offer them. The Daly City Public Library and its Westlake-Broadmoor branch are taking this opportunity to point out to residents of this area just what is available to them.

Everyone associates books with libraries, and books are indeed the main stock in trade at the public library. The Daly City Library now owns more than 14,000 volumes, which are housed at the main library at 6351 Mission street and the Westlake-Broadmoor branch at 34 Park Plaza drive, in Westlake shopping center. In addition to these books, there are some 7,700 volumes belonging to the San Mateo County Free Library housed at the addresses above. These books represent a wide variety of reading material for children, young adults, and adults, for informational and recreational reading at home as well as for reference consultation in the library. If, however, this stock does not include specific titles or subject material needed by any borrower, the Daly City Library and the Westlake-Broadmoor branch, through their affiliation with the county library system, can borrow what is needed. The resources of the entire county library book stock, now over 116,000 volumes, are at the disposal of residents of this area; and through inter-library loan facilities, the vast resources of the California State Library and other large library systems within the state can be drawn upon. There is no charge for inter-library loan service—all it costs is the same three cents for a reserve postal card that is charged to reserve any book already in the library collection.

But libraries are not alone repositories of books. The Daly City Library and its Westlake-Broadmoor branch together receive more than 70 current magazines, covering subjects of interest to parents and homemakers as well as high fidelity and hot rod enthusiasts. In addition, they subscribe to the major newspapers in San Francisco and on the Peninsula, as well as having a sizeable collection of pamphlets which may be borrowed for home use and a large picture collection for loan.

There are many other things which one may find at the public library, either in person or by telephone. More and more persons in the Daly City area are learning about the telephone service at the library. While it is impossible to answer detailed reference questions or to do school assignments over the phone, the library staff is glad to look up simple information and relay as much of it as is practical on the telephone. It is also, of course, possible to reserve materials by telephone.

Why not help celebrate California Library week by paying a visit to your nearest public library and getting acquainted with the library staff and the materials and services available to you? And while you're there, don't forget to look at the bulletin board to see what local or regional events may be of interest to you. The library is a good place to learn about what's going on elsewhere, too.

We'll be looking for you at 6351 Mission street (PL 5-0850 until 5 p.m., then PL 5-0505)and at 34 Park Plaza drive (PL 5-0842). Remember, your public library has something for everyone, and don't forget to try your library first!

Village Notes

By Gwin Mitchell

PL 5-0679

This year has started very memorably for two Village families — they are currently in the proud-parental dither which accompanies the arrival of First Babies. Thoroughly enveloped in this special feeling are Doris and Gorden Dettner of Stoneyford, and Irene and Dan Andersen of Beechwood. The Dettners now belong to son Paul Gordon, 6 lbs. 15 oz., and the Andersens belong to son George Steven, 6 lbs. 13 oz.

Happy over the arrival of a second son are Arline and Jack Kaus of Beechwood, who have Bradley Laurence, 6 lbs. 10 oz., to keep young Jeffrey happy. And down on 87th street, Inez and Fred Dryden have welcomed small Dryden number 7. Newest member of their tribe is Patrick Thomas, 7 lbs. 11 oz., which gives the boys an edge over the girls, 4 to 3.

Birthdays of one sort or another seems to be happening at a great rate. Marilyn Thorne of Oakmont celebrated her 7th— on March 7, too—and invited a host of happy young ladies for cake, favors, games, and little-girl excitement. Happy faces at the party belonged to Christine Mitchell, Rita Glischinski, Denise Buchanan, Caron Chives, Diana Fernandes, Mary Grandioff, Ellen Kermode, Marian Kabowitz, Melinda Hart, Lana Rosendahl, Julie Sales, Paulette Solomon, Eleanor Wernes, Rebecca George, Elaine Goldman, Katie Goldman, and Sandy Henley.

Thought Collection

Did you happen to see Peg Elliott a Saturday or so ago, surrounded by Brownies, small boys and Girl Scout cookies up at King's? . . . And have you seen that swish Ford the Glasse family is driving? They still have the old faithful station wagon, needing two cars now. . . . Richard Orloff has had a nasty siege of chicken pox, as has Bill Beck Jr. No doubt there are about 105 other cases, plus several hundred more of measles and/or mumps. This seems to have been the most spotted winter yet . . . If it's pictures you want taken, speak to Ray Savage. As if he weren't busy enough, Ray is happy over a terrific new camera, and wants to break it in. Speaking of Ray, he and Glen Hilton will be on KQED next week, apropos the Boy Scout fingerprint merit badge. They'll talk about it next Tuesday, 6 to 6:60 p.m. . . . Did you know Stewart's Bud Hayes used to have his own 16-piece orchestra back in 1939? One of the Bay area's best, too, we reckon. He still can make a piano sit up and talk for him.

We thought the latest meeting of Pack 259 was quite effective, with everyone in Indian costume, with dances and much war-whooping, et cetera. The moment when the lights were all out, except for the dim light from the campfire, and Cubmaster Bill Beck appeared as an Indian chief, complete with headdress and war paint, was the most effective of all.

Birthday week came along for Steve Mackintosh of Washington, who turned 9 and had a group of fellows in for an Indian party. Two squaws came, too. They were sister Jan Mackintosh and cousin Patty Warmoth. Braves at the pow-wow were Danny Mahoney, John Davy, John Rizzo, Eddie Witaschek, Chuck Warfel, Marty Warmoth, and Jim Gardiner.

Moonwatch

We had a talk with Paul Elliott the other day and learned quite a bit about the "Moonwatch" project in which he is tremendously interested. It is something to stir interest and imagination, this launching of the first man-made earth satellite. Called "Operation Vanguard," the launching is in connection with the 1957-58 geophysical year, when studies of the earth and its surroundings are being made the world over. The satellite itself is a lot smaller than we exepcted; it is a polished metal sphere only 20 inches in diameter, and this small intruder into the solar system will be taken to its orbit location by three-stage rocket. If things go as planned, it will circle the entire earth once every 100 minutes (which means the U. S. will only get 10 minutes of its attention) in an eliptical orbit which will be from 200 to 800 miles above the earth, traveling west to east.

Naturally, all sorts of information from and about the satellite is vitally important. We say from, because Paul told us that the sphere will contain a tape recorder and a short-wave radio, and that when a beam is focused on the sphere from the earth, it will short-wave back any information it might have on the recorder, which could be a multiplicity of things concerning the area through which the satellite revolves.

Information about the sphere will be charted by all major observatories, but since this first attempt to conquer space is so new, a great deal of moonwatching will be necessary, so amateur astronomy groups and others all over the world will be helping. The SF Amateur Astronomers, of which Paul is a member, will have a watching post on top of the science buildings in the GG park, and we were amazed at how minutely accurate all the equipment must be. There will be a north-south meridian laid out, with a mast in the middle and six telescopes in a line on each side. Each will be sighted on the top of the mast, thus giving complete horizon-to-horizon coverage. There will be a radio to short-wave time signals into the post, and a tape recorder. When a watcher sees the satellite, he presses a buzzer. He presses it again when it passes over the meridian, and again when it goes out of sight. All the buzzers will be recorded with the time signals on the tape, so that the exact time of observance is down at once. Then all information is phoned right away to the Smithsonian Astrophysical Observatory at Cambridge, Mass. What pinpoints the importance of so much accuracy is the fact that the sphere will be just a tiny twinkle, seen only at dawn and dusk when it is in the sun and the watchers are in shadow. There will be many a watcher getting out of bed a lot earlier than he has done for a long time!

Paul says that, because they are building their own telescopes, his group will be able to equip their post for about $500, of which they have $159. Anyone who would like to have a share in man's first reaching into outer space can do so by contributing something towards this equipment. Call Paul at PL 5-8606, or stop by 1029 Gilman. We think it a vastly interesting project. Who knows what might be found out from the messages the satellite sends back to earth?

Viewers of the Mickey Mouse Club show can meet a Villager there. Larry Doyle, who is an Ellis-er, is currently doing the Cracker Jack commercials . . . Louvaine's Inez Weibel is out and about again after her fall, but is still feeling the effects. She teaches the morning session at Sunshine Gardens school — busy gal! . . . Happiness in the Sirianni home on 87th street—Cpl. Richard S. is home after two years in the Army, and is thinking of the real estate business as his next occupation. We hear, too, that sister Bobby has a terrific job with Standard Oil. . . . Everyone is glad that Reverend Marting of Hope Lutheran church is over that attack of tonsillitis. . . . George Wall, our egg man, is in the hospital parting with an ulcer, with wife Johnny valiantly running herself ragged to keep up with the delivery schedule. . . . Walt, Vera and Dale Erickson took time away from Park Plaza to go LA-way for a family wedding.

Alder avenue's Memory Gomez has been having quite a success with her monthly evening music parties for her piano pupils and their parents. Latest gathering was at the Norman Ecklund home in Parkmerced, where pupil Judith E. played duets with her sister Christine, who plays the violin. Memory discovered a flutist in Linda Usdane, and found that Linda's mother has a harpischord in her home which is a family heirloom. Being a person with many irons in the fire, Memory is also teaching the pilot elementary Spanish course in the 2nd, 3rd and 4th grades at the Fredric Burk school. Busy, busy! And we discovered that husband Ramon is a painter of no mean ability, who goes to the museum faithfully every Friday evening for a drawing siege. He has many pictures at home, and they are quite good.

Special Guests

Many a housewife belonging to the Hope Lutheran Ladies' Guild is busy making sure her home is just right, for she will be having a special overnight guest or two. The guests will be members of the Bishop's Players, who will be giving "Cry, the Beloved Country" at the church next Monday evening. They are a rather special group, many of whom gave up lucrative opportunities with motion pictures or TV to tour, presenting plays with a basically spiritual content and message, such as this one mentioned. There will be no tickets for this, just a free will offering during the evening of the play.

Down on Wildwood, Esther Utman planned and gave a terrific surprise party for husband Mervin. She's not so sure it was a complete surprise, though! Still, every one had a good time, so the party part worked out all right. Guests were Ken and Florence Lorber, Irwin and Eleanor Cohen, Don and Betty McNamara, Frank and Bertha Koplowitz, Bob and Belle Kendrick from Pedro Valley, and Floyd and Midge Bosenkamp from Buri-Buri. Also present was Father Thomas Reagan, one of the directors of the Hanna Boys' Center in Sonoma, who had some very interesting things to tell of his work there. By the way, you might ask Mervin about those two Very Special gifts he received. They are quite something!

Slate Special Meet On DC Future Planning

A special study session of the city council will be held Monday night to consider a prospectus of the city's long-range planning needs, to be presented by Hahn, Wise & Associates, planning consultants.

The firm has compiled the preliminary report at no cost to the city, but will propose a more comprehensive survey which will be made on a fee basis.

County Hikes Goal As Annual Easter Seal Drive Begins

The 24th Annual Easter Seal campaign to raise funds for crippled children and adults will open in San Mateo county and across the nation this Friday with its local sponsors asking for contributions enough to "help twice as many handicapped citizens as ever before."

The local appeal was launched with the mailing of flower-bedecked Easter Seals to 107,000 county homes and business firms. A goal of $55,000 has been set for San Mateo county.

Walter C. Schafer, campaign chairman, has asked for prompt and generous response of local residents to the appeal. "The future of hundreds of crippled children and adults in this county depends on the public's response," he declared.

"The San Mateo County Crippled Children and Adults Society, sponsor of this campaign, has a tremendous job to do," he continued. "There are about 11,000 crippled children and adults in San Mateo county. Treatment and rehabilitation services are expensive. But this society proposes to see that no crippled child or adult goes without anything he needs to live a happy, healthful, useful life. Obviously this campaign must have widespread support."

Schafer asks local residents to read carefully the letter accompanying their Easter Seals. This letter, he says, outlines forthrightly the needs of local crippled children.

"You will note from the letter," Schafer said, "that the Crippled Children's Society had funds last year to help only a fraction of children and adults needing aid. Recognizing this need, we feel confident San Mateo county residents will respond generously."

Suspend 3 Local Drivers' Licenses

Licenses of three local drivers have been suepended by recent rulings of the California Department of Motor Vehicles.

Affected were Margaret L. Hattemar, 268 Lauren avenue, Sharp Park; Lloyd V. Thompson, 126 Crocker avenue, and George S. Villalba, 520 B street, Colma.

No suspension of license was recommended for Lee A. Villueamainroy, 573 Alvarado street, Brisbane, following conviction on a drunk driving count.

Granted permanent reinstatement of license were: Peter A. Brady Jr., 254 Chester street; Myrtle V. Crist, 6777 Mission street; Richard O. Dennis, 655 Heather court; Joseph T. Gomez, 50 West Cavour street; Robert H. Lipke, 1136 Escalero avenue, Pedro Valley; Philip P. Melton, 163 Oliver street; Alfredo Silva, 350 Willits street, and James L. Spence, 236 Thiers street.

Michael J. Kack, W'lake Executive, Is 'Man of Year'

Michael J. Kack, 31-year-old assistant manager of the Occidental Life Insurance Westlake branch, was announced yesterday as recipient of the "man of the year" award, given annually by the South San Francisco Young Men's Institute.

A resident of South San Francisco, Kack was named as the club's eighth "man of the year" for his widely diversified service club and civic work.

Joseph Souza, Y.M.I. president, said Kack was cited for his service club activity (president of the Junior Chamber of Commerce, officer in the Rotary, Rod and Gun club), his civic endeavors, which include Red Cross, Community Fair, youth recreation and Christmas charity, and his active part in obtaining site for and eventual construction of the Rod and Gun club building.

Formal award presentation will be held April 7 at the Y.M.I.'s annual breakfast, to be held at Brentwood Lodge.

Daly City Soldiers In Alaska Exercise

Two Daly City soldiers, Pfc. Cortez J. Fernandezees and Pvt. Richard A. Evans, recently participated in "Exercise Hard Times" with the famed 2nd Infantry Division at Fort Richardson, Alaska.

The six-day exercise, designed to test the combat efficiency of the division under arctic conditions, was the largest ever held at the Alaskan fort.

Fernandezees, 19, son of Mr. and Mrs. A. M. Fernandezees, 324 San Diego avenue, is a gunner in Company F of the division's 23rd Regiment. A Jefferson graduate, he entered the Army in December of 1955 and was stationed at Ft. Lewis, Washington, before arriving in Alaska last fall.

Evans, 20, son of Mr. and Mrs. William J. Evans, 162 Irvington street, is a heavy equipment operator in the 48th Engineer Company. In Alaska since August of 1955, he entered the Army in January that year and completed basic training at Ft. Ord. Evans was graduated from Jefferson in 1954 and worked with the Joseph Ragni & Son Construction company.

News From Here & There

By Eleanor Doyle

Before their return to their home on Acton, the CLAUDE YATES enjoyed a 10-day vacation trip to Phoenix, San Diego, and on to Pasadena for a visit with their son, WESLEY EUGENE, and his fiance, NORDEAN CAMERON, both students at the Nazarene college.

The engaged couple have reserved July 5 as their wedding day. The bride-to-be is the daughter of the Earl Camerons in Concord. The benedict attended Crocker Pershing and Colma schools, and is a '55 graduate of Jeff.

Latest statistics in the JOHN W. FACCINI family on Sullivan avenue include a 5 lb. 14 oz. heir, answering to the name of RICK PAUL. He arrived February 27 at St. Francis. Little RICK is the brother of JOHN EDWARD, five. Leonard M. Jeffers in Carmel Valley and Edward J. Brown in Los Gatos are the grandfathers.

LAURIANN SARRUBI on Castle feted her eighth birthday with a gay luncheon and theatre party, enjoyed by: Cathy Race, Cathy Lesher, Gerry Balassari, Ronny and Christine Mini, Theresa and Geraldine Mercurio, Yvonne and Cynthia Puento, Tina Rindahl, Ronny Pressley, Paul Tomasello, Gerri Ann Delpotto, Ricky Busalacchi and Robene Brown.

Congratulations and happy anniversary wishes to two couples who share the same date, March 17, St. Patrick's Day. The JOE VERSELLIS on Lausanne will mark their 29th year of wedded bliss, and the DONALD DICKSONS on Crocker await their 26th. Good wishes also are extended to the SOOMANS, DOLORES and JOHN, on Oliver, who are planning an evening out in observance of their 17th one on Saturday.

Two local children, both 3½, last week made their TV debuts on "ADVENTURE SCHOOL," Channel 5. The young celebrities were BARBARA ENGLER on Florence and DENISE LAPACHET on Orange.

Two neighbors on Wyandotte, FLORENCE DALE and ELEANOR HJILLE, recently surprised two neighbors, ALBA CUCCI and ANITA TOLMAN, with a stork shower. The event was given at the DALE home. Other guests were, the Mesdames Rose Tomasello, Mary Flynn, Virginia Moore, Edith Lomas, Mae Haaland and Elna Jones.

Another boy, their third son and heir, arrived on March 3 for the JOSEPH FERRARIS on Hillside. THOMAS ANTHONY is his name. He checked in at St. Luke's, tipping the scales at seven-one. "Big" brothers are JOHNNY, three, and two-year-old BOBBY. Mrs. Elvera Ferrari, San Francisco, is the grandmother.

A recent birthday boy, PAUL TOMASELLO on Hillside, greeted his big day (ninth) with a party shared by friends: Gerry Baldassari, Cathy Race, Lauriann Sarrubi, Ronnie and Christine Mini, Nita Vicini, Joyce Folari, Wayne and Bob Silbar, Jeffery Starkovich, Jimmie Catania, Ricky Shauvin, and Paul's sister, Joan.

A buffet dinner followed recent christening services at Holy Angels for VICTORIA GINA, daughter of the TULIO PICCHIS on Bismark. The baby's godparents are Rose and Rudy Milon of San Francisco. Father Quinn officiated.

Little Miss CHRISTINE PICCHI observed her fifth birthday with a luncheon party for her friends and their moms. The novel affair was enjoyed by: Doreen and Cathy Ross, Debbie and Sheila Doyle, Michael, Albert and Cathy Luzzi, Christine and Jeannie Hankerson, Christine and Caroline Proulx, Shelly Chapot, Chris Montana, Craig Pacini, Frank Dove, Ersula and Geraldine Haught, Michael Castagnola, the birthday girl's brother, Master Roy, and the Mesdames Ann Peterson (grandmother), Mary Castagnola, Grace Luzzi, Bev Hankerson, Bernice Chapot, Florence Doyle, Claire Dove, Dot Ross, Rose and Lena Labue, and Lawna Pacini.

The day after, mom LORRAINE observed the day with a rather tired outlook. Wonder why?

The expectant wee one due most any time at the CARLASCIO home on Abbot should look his or her best with gifts from the Mesdames Mary Quinteros, Flora Baker, Needie Ragoni, Winnie Macchi, Ann Marshall, Marge Battaro, Mary Simeroski, Rose Logan, Norma Sonnenschien and Bonnie Ellis. The baby shower was given by Mrs. Jo Ann Carlascio at her home on E. Moltke for the very much surprised mom-to-be, BERT.

Cliffside drive in Westlake has a spanking new resident in Miss CHRISTINE ANN, who belongs to the ALOIS DURRERS. She made her debut by way of Franklin hospital, weighing eight pounds ten ounces. Sister BEATRICE is 15 months old. Maternal grandparents are the Meinrad Stilgers, who won't be able to do much spoiling as they make their home in Switzerland. Paternal grandparents are the ANTON DURRERS in San Francisco.

Little schoolmates of VICKI RISSO of the Colma school recently enjoyed a luncheon party at her home on Lausanne in celebration of her sixth birthdate. Members of the mid-day kindergarten group attending were: Kathy Saltsgaver, Kathy Bomba, Carlice Solovieff, David and Claudia Davi, Gary Gaviglio, Linda Mafrice, Janette Vollers, Joan Luskutoff, Larry Stariha, Michael Johnson, and Vicki's sister, Christine.

In the evening, the James Whitakers, John Swedbergs, Art Demarees, Mrs. Eleanor Degroot (aunt and godmother) and Mrs. Rae Sanchez (grandmother) arrived to fete Miss VICKI on her big day.

Dinner at the Huddle preceded christening services by Father Joseph Garrity at the OLPH church for Master DAVID ANTHONY, son of the LEON DONOLAYAS on Bellevue. Mrs. Rose Watson, formerly of Evergreen, was the proxy godmother for Priscilla Calloway in Paso Robles. Michael Donalaya of Maxwell is the godfther.

Notes at random . . . Mrs. EVE BARRANGO on Castle is trying very hard to get used to a heavy leg cast — one she will sport for about six weeks due to a fractured bone in her left foot. This all happened on Mr. B's birthday. Instead of the contemplated evening out, they spent it together at Mary's Help. . . . Mrs. ELIZABETH OSWALD recently entertained 17 members of St. Paulus Lutheran church at a dessert luncheon at her home on Bruno. . . . The GENE ANDRUS on Abbot enjoyed a recent week-end trip to Carmichael to visit with the Carlos Vincents (formerly of Wyandotte). They proceeded to Strawberry Lodge for a brief stay, then crossed the border into Nevada on the Tahoe side.

The JOE PICCARDS and their youngsters, SANDY, TERRY and GARY, spent an eventful day in the snow at Camp Connel, after visiting her brother, Frank Luchessi, in Lodi, and the children's great-grandfather, Joe Piccardo. . . . The THOMAS BREWERS recently returned home on Wilshire after a two-weeks' vacation in Chicago, where they attended the American Society of Heating and Air Conditioning Engineers convention, besides visiting many friends in the Windy City. . . . Nine-year-old RONALD MURRAY on Atlanta is on the sick list this week with a very mild case of the mumps. . . . Just a few days before her scheduled fifth birthday party, SHERRI ANN BUCHANAN (also of Atlanta) woke up to find that the chicken pox had claimed her.

Three gals on Lausanne, ORDA BOMBA, JOAN STARK and MARGE SALTSGAVER, surprised one of their neighbors, Mrs. ANN VERSELLI, last week by arriving at her home with a luscious cake and lovely potted plant for her birthday. . . . At the rate that RONALD ALLEN PENWELL on Abbot is progressing, looks like he may by "pass' some types of baby food, This little guy, at the ripe old age of three weeks, is sporting his first tooth. . . . Instead of having a party this year, MICHAEL GUGLIEMONI on Muirwood celebrated his sixth by spending the day at Donner Summit with his family. Seeing snow for the first time was quite a thrill for the birthday boy. . . . BRENTS RUSERT on B street joined his sixth grade classmates last week at the Colma school after many months of being a shut-in with a broken leg. . . . The ROBERT KEITHS on Bellevue are being visited by his dad, CLAUDE, who arrived last Monday from Portland for an indefinite stay.

Letters To The Editor

'Wonderful' Publicity Lauded By Men's Club

Dear Editor:

I wish to express to you on behalf of the Rummage Sale committee, the entire OLPH Men's club membership and personally, our sincere appreciation and gratitude for the wonderful advertising and wide-spread publicity you have given the rummage sale presented in the OLPH school auditorium, 80 Wellington avenue, last Saturday.

Your most generous cooperation in this matter and advertising were certainly responsible to a great extent for the success of this venture. Through your kindness and generosity the rummage sale was financially fruitful.

Every member of the Men's club joins me in saying "thank you."

Robert Leiendecker
General chairman
OLPH Men's Club
Rummage Sale Committee

Albert Ottoboni Says Nuptial Vows With Miss Stelia Maggi

Miss Stelia Maggi of South San Francisco became the bride of Albert Ottoboni, Colma nursery proprietor, in a recent ceremony at All Souls Catholic church. The Right Rev. Egisto Tozzi officiated.

The bride, daughter of Mr. and Mrs. Louis Maggi, 631 Palm street, came to this country two years ago. Mr. and Mrs. Bert Ottoboni, 210 91st street, are parents of the groom.

For the vow exchange, Miss Maggi wore a floor length nylon embroidered dress, fingertip veil and she carried stephanotis and white orchids.

Mrs. James Brusco, the bride's cousin, was matron of honor. She wore a yellow brocade bailerina gown.

Roy Ottoboni, the benedict's brother, was best man.

The reception was held at the home of the bride's cousins, followed by dinner at Lyl's restaurant.

The couple took a two-week trip to Southern California and Mexico for their honeymoon.

NURSERYMAN Albert Ottoboni of Colma and his Italian-born bride Stelia recently returned from a two-week honeymoon in Southern California and Mexico. The couple were united on February 24 at All Souls Catholic Church in South San Francisco. The new Mrs. Ottoboni came to this country two years ago.

Ciampi Architecture Claims Top Honors

Top architectural honors for public buildings and institutions were claimed this week by the Sonoma Elementary school, designed by Architect Mario Ciampi.

Ciampi, who is architect for Jefferson High and Elementary school districts, also won an award of merit for Olympia Primary school in Westlake.

The competition was sponsored by the Northern California chapters of the American Institute of Architects, and included buildings in Northern California.

Presentation of awards to architects competing in the several classifications were made Saturday night at a dinner in the garden court of the Sheraton-Palace hotel.

NATALIE LIPMAN STUDENTS INSTALL NEW OFFICER SLATE

Joyce Seever was installed as first president of the Natalie Lipman school student body in ceremonies held Friday in the multi-purpose room.

Carol Rhodes acted as mistress of ceremonies and welcomed the new president, along with the other officers: John Mazella, vice president; Jo Anne Long, secretary.

Mrs. Montie Rice served as installing officer.

As a prelude to installation ceremonies the band, under Dick Smith, played two selections.

Under direction of Mrs. Joane Sandoval, the boys chorus sang two numbers, including a solo by Glen Pamfiloff. Barry Woodard was on the drums and Frankie Kozik and Bill Plank played the trumpets.

Following the ceremonies refreshments were served by Miss Kay Lyons social club.

Ladies Auxiliary Slates Benefit Whist Session

A benefit whist party will be held next Tuesday evening at 8:30 o'clock in Irish-American Hall, 454 Valencia street, San Francisco.

Proceeds go to Robert Emmett Division 4, Ladies Auxiliary, AOH. Whist co-chairmen are Mrs. Alice Amend and Mrs. Ann McCaulley.

St. Patrick's Dance

The Innisfree dance, featuring modern and old fashioned music by Eddie Messini and his orchestra, is held every Friday evening from 8:30 to 1 o'clock at the Irish-American Hall, 454 Valencia street, San Francisco.

The dance this Friday will be held in honor of St. Patrick, and will include an exhibition by Ann Healey's Irish step dancers. Admission is 90 cents.

Art Discussion Tops PTA Meet

"You And Your Child At Work" is the title of the program to be presented at next Tuesday's meeting of Woodrow Wilson PTA.

Mrs. Helen Cordell, art coordinator for the Jefferson Elementary School district, will explain to parents many of the art media used at different grade levels.

Another feature of the meeting will be election of unit officers for the coming school year.

The meeting, starting at 1:15 o'clock, will be held in the multi-purpose room.

Marie Rose Guild Sets Two-Day Rummage Sale

Marie Rose Guild is sponsoring its annual Rummage Sale on March 25 and 26 in Larkin hall, Civic Auditorium in San Francisco.

There will be a gigantic selection of men's, women's and children's apparel, furniture, household goods, appliances, furs, jewelry, and a "next to new" department.

Doors will be open from 9:30 to 5 o'clock.

Proceeds will benefit the Sisters of the Holy Names Novitiate and Senior Convent.

Bill Bricker, Alameda Girl Are Newlyweds

Marine Pvt. William Bricker, son of Fred J. Bricker, 313 Peoria street, wed Miss Carmen Terreforte, of Alameda, in a recent ceremony at San Francisco city hall.

The couple, both 19, spent their honeymoon at the Bermuda Palms resort in San Rafael as guests of John Duarte, long-time friend of the family.

The groom, a Jefferson graduate, was here on leave from Camp Pendleton. He reports to his new assignment in Florida later this month.

The bride, employed by Eastman Kodak company in San Francisco, will live in Alameda until William completes his tour as a Leatherneck.

Brisbane Bestows Life Membership On Ruth Wooden

Ruth Wooden was named recipient of the Brisbane PTA's annual life membership award in ceremonies held recently before a record crowd.

Chairman Daisy Todd recalled Mrs. Wooden's years of service with the Girl Scouts in the community.

Decorations were handled by Barbara Waits, Jean McIntosh and Phyllis Sailor, while the hospitality contingent included Betty Roesch and Sylvia Syversen.

Mrs. Marilyn Popovich's fifth grade presented a play centered around an incident in Abraham Lincoln's life.

Margaret Galten was named chairman of the nominating committee.

Charlene Taylor, Robert Rohrdanz Now Honeymooning

Recent marriage of Miss Charlene Taylor of Daly City to Robert R. Rohrdanz of Milwaukee was announced this week by the bride's parents, Mr. and Mrs. Raymond L. Taylor, 458 Citrus avenue.

The couple exchanged vows December 26 in Redwood City, and are now enjoying a belated honeymoon in New York City and the middle west. They will reside in Sacramento, where Robert will be employed as an engineer with Aerojet Corporation.

The bride, a graduate of Jefferson and a student at College of San Mateo, has been active in Mariner Scout Ship No. 4 the past six years.

Rohrdanz, son of Mr. and Mrs. William Rohrdanz, of Milwaukee, recently graduated with honors from King's Point Academy at Long Island, New York.

PTA Units Eye Annual 17th CCPT Convention

Daly City PTA delegates will travel to Sequoia High school in Redwood City next Thursday, March 21, for the 30th annual convention of 17th district, California Congress of Parents and Teachers.

During its history, the district has experienced a phenomenal growth, from 24 associations and 1,166 memberships in 1927 to 121 units and 44,173 memberships in 1957.

Crocker-Pershing, Jefferson Union, Woodrow Wilson and Vista Grande units were among the founding members of the district.

Mrs. Roy N. Cloud of Redwood city, district president, will preside over the morning session, convening at 9 o'clock. Mrs. Robert Palmer of Belmont, vice president, will take the gavel for the afternoon.

Mrs. P. D. Bevil, a past president of the California Congress and currently safety chairman for the National Congress of Parents and Teachers, will travel from Sacramento to speak on the convention theme, "PTA Faces the Future With Vision, Courage and Action."

The Lyric Mothersingers, directed by Mrs. Granville Browning, and the Millbrae Choraliers, under Mrs. Joseph P. Williams, will give their annual joint concert at the convention's afternoon session. Sequoia High School's Treble Clef, with Robert Clark directing, will sing in the morning.

Each local unit will be represented at the convention by its president and delegates in proportion to membership. Mrs. Forest Cunningham, PL 5-5783, chairman of the hostess committee, will accept luncheon reservations through March 18. Convention adjournment is set for 2:15 o'clock.

Holy Name Society Promises 'Wonderful' St. Patrick's Feed

A wonderful time will be had by anyone attending the St. Patrick's Day celebration at Our Lady of Perpetual Help church hall Saturday, according to a spokesman for the Holy Name society, sponsors of the affair.

Tony Ricci, co-chairman, said that a well-rounded entertainment program has been prepared. Walter Murphy, entertainment chairman, has arranged for entertainment to run continuously from 5 to 8 p.m., all during the dinner time. The O'Neill sisters will present a dance program for a half hour. Virginia Johnson, talented young lady from South San Francisco, will dance; an Irish tenor will sing some of the popular airs associated with Ireland's popular saint and local talent, and Doreen MacDonald, Sandy Calavano and Sue Lafayette will contribute toward the evening's enjoyment. Other acts are being arranged to insure three hours of top talent entertainment, the society said.

The traditional corned beef and cabbage dinner will be served, "with all the trimmings," for $1.50, and 75 cents for children.

After dinner the society continued, a local orchestra is donating its talents so that everyone can trip a light toe to the "wearing of the green." The public is invited to join the parishioners of Our Lady of Perpetual Help in celebration of the birth of St. Patrick. "This is strictly a family night, so give mother a day off from the stove, put a bit of shamrock in your buttonhole, grab the kids and come to the party," urged the society spokesmen.

'Morality Enough?' Friedline's Topic At Vista Grande

At the 11 o'clock morning worship service at Vista Grande Avenue Christian church, the minister, J. Richard Friedline, will sermonize on the topic, "Is Morality Enough?" In the evening the Christian Youth Fellowship convenes at 7 o'clock for all youth. Mr. and Mrs. John Norton are the youth sponsors.

The Boy Scouts meet in Fireside hall Monday evening. Tuesday at 7:30 p.m. the membership commission of works of the church will meet. The Christian Women's Fellowship will hold its regular monthly meeting in primary hall Wednesday evening at 7:30 o'clock. Group One, with Mrs. Hazel Wade as leader, will be hostesses for the C.W.F. and serve refreshments.

Thursday at 7:30 p.m. is time for Bible study in the church office with the Rev. Friedline teaching while the choir convenes in the sanctuary for rehearsal.

Tuesday the Christian Women's Fellowship will hold an all-day rummage sale at Pat's Rummage Sale, 999 McAlister street, San Francisco. Persons with rummage articles they would like to donate may telephone Mrs. Clarence Rockey, PL 5-5910, or Pearl Miller, DE 3-5933, and rummage will be picked up.

NEW ASSISTANT pastor of Our Lady of Perpetual Help church, Father Joseph Garrity, is flanked by Tony Parmisano (left) and Tony Ricci, Holy Name society members and co-chairmen of Saturday's St. Patrick's day celebration at the church hall. Father Garrity replaces Father Norman Allen, who recently assumed pastorate of a church in Yountville, Calif.

Episcopal Talk To Stress Congregation Role In Church

"His Witnessing Community," three-year program theme of the woman's auxiliary in the Protestant Episcopal Diocese of California, will be explained at the woman's auxiliary meeting of St. Martin's Episcopal church in the vicarage, 94 Palmdale avenue, at 8 p.m. Thursday, by Mrs. Milton Farmer, diocesan auxiliary president.

To prevent formation of a "parochial cocoon" in which the parish is engrossed only in its own affairs, her talk will emphasize the role of the local congregation in furthering the real work of the church, i.e., worship, evangelism, social service, and Christian education, in the nation and the world.

Mrs. Farmer, elected in January for a second term as president of the Woman's Auxiliary to the National Council of the Protestant Episcopal church in the Diocese of California, has been for many years a volunteer worker in the diocese, the local auxiliary of St. Clement's church, Berkeley, and the American Red Cross. She is also the mother of six children.

Mesdames Richard T. Phillips, Frank Specht Jr., D. R. Wainwright, Willard A. Findlay, J. T. Stansfield, Thomas Sheldon, Stanley Myers, and Agnes Colegrove, who represented St. Martin's at the diocesan woman's auxiliary convention and training sessions, report Mrs. Farmer as a "brilliant and inspiring speaker." Anyone interested is invited to the meeting, which will be followed by a social hour, with Mrs. Heinz Apostel and Mrs. Donald E. Ellis as hostesses. The Rev. Allen J. Downey, vicar, who is at present conducting a special Lenten course in addition to regular Sunday services in Westlake auditorium, will also be present.

'Beautiful' Jalopy To Be Given Away

Ben Parodi, chairman of the OLPH Men's club "Jalopy Event," today stated that a "beautifully polished 1948 4-door sedan, in top shape," will be given away April 5 at 8:30 p.m. in the OLPH school auditorium, 80 Wellington avenue. Tickets will be available after Mass on Sundays.

Proceeds from the event will go to the education, recreation and welfare activities for Daly City youth.

Presidio DAR Chapter Plans Anniversary Fete

Presidio Chapter, Daughters of the American Revolution, will hold their 22nd Anniversary Luncheon, March 18 at 1 p.m. in the Presidio Officer's club, where they organized the Chapter more than two decades ago.

Guests of honor will be: Mrs. O. George Cook, state regent, Mrs. Charles A. Christian, vice-president-general of National Society, DAR; Mrs. Bruce Livingston Canaga, chaplain-general of the National Society; Miss Helen Bruner, registrar of state, and regents of other San Francisco chapters.

The program will be presented by Nejot Sonmez, director of the Turkish Information Office, who will show the picture, "This World of Ours." Sonmez was press attache at the Turkish Embassy in London and a member of the United Nations General Assembly before coming to San Francisco.

Broadway Play Reading For Jeff High PTA

A "sophisticated Broadway play" will be read at the March 28 meeting of the Jefferson High PTA.

The reading will be by Mesdames John Senger and Robert Ramsay at the high school auditorium, starting at 8 p.m.

Tickets are 50 cents.

OLPH Paper Drive 'Off To Good Start'

Ernie Reyes, general chairman of the OLPH Men's club paper drive, stated today that "The event is off to a good start, and the children are really enthused over the paper drive." A cash prize of $5 is being offered the child bringing in the most newspapers and a second cash prize of $3, as well as many other prizes.

Children wishing to participate are asked to save newspapers and tie them in ordinary bundles, mark them for identification, and on Saturday March 30, bring the newspapers to the OLPH school, 80 Wellington avenue.

Magazines will be accepted, but contestants will not receive credit for them, as the cash awards are for newspapers only.

Pick-up service will be available when and where needed.

Cub Pack and Scout Troop 243 boys are "buzzing with enthusiasm." They will lend a hand with the pick-up service and handling of bundles, as these organizations will receive portions of the proceeds for their activities. Ernie Reyes urged, "Come on kids, the more the merrier," and everybody is invited to get in the act.

DOVES

Hunters in California bagged 2,571,500 doves during 1955, according to the National Automobile Club.

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
Division of Highways
NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Department of Public Works, Division of Highways, at the office of the District Engineer, 150 Oak Street, San Francisco, California, until 10 A.M. o'clock on TUESDAY, MAR. 26, 1957, at which time and place they will be publicly opened and read, for performing work as follows: San Mateo County, in Daly City 0.4 mile south of Junction of Routes 55 and 56 (IV-S.M-56-D1C), corrugated metal pipe downdrain and cable anchorage to be installed.

Plans and specifications, and forms of proposal, bonds, and contract may be obtained at the above address.

No bid will be considered unless it is made on a proposal form furnished by the District Engineer, and is made in accordance with the provisions set forth under Section 2, "Proposal Requirements and Conditions," of the Standard Specifications. Each bid must be accompanied by a proposal guaranty in accordance with the requirements of Section 2, article (g), of the Standard Specifications.

The Department of Public Works reserves the right to reject any or all bids.

The quantities listed in the State Highway Engineer's Estimate hereinafter stated, are approximate only, being given as a basis for the comparison of bids, and the Department of Public Works does not, expressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, or to omit portions of the work, as may be deemed necessary or advisable by the Engineer.

Bids are required for the entire work described herein.

In accordance with provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Rate per hour	Classification
$2.705	Apprentice (oiler, fireman, watchman)
2.575	Asphalt ironer and raker
2.48	Bootman
3.125	Carpenter
2.995	Cement finisher (journeyman)
2.705	Concrete mixer operator (up to one yard)
3.035	Concrete mixer operator (over one yard)
2.325	Flagman
3.095	Heavy duty repairman
2.705	Heavy duty repairman helper
2.325	Laborer
3.095	Mechanical finisher operator (concrete or asphalt) (highway or street work)
2.425	Operator of vibrators and all pneumatic gas and electric tools
3.425	Operator of power shovel and/or other excavating equipment with shovel-type controls (up to and including one yard)
3.535	Operator of power shovel and/or other excavating equipment with shovel-type controls (over one yard)
2.575	Pipe layer, caulker, bander
3.255	Power grader operator (power planer, motor patrol or any type power blade)
3.15	Reinforcing iron worker
2.40	Road oiler
3.095	Roller operator
2.705	Screed man
2.325	Truck driver (less than 4 cubic yards water level)
2.465	Truck driver (4 cubic yards and less than 6 cubic yards water level)
2.625	Truck driver (6 cubic yards and less than 8 cubic yards water level)
2.925	Truck driver (8 cubic yards or more water level)

Any classification omitted herein not less than $2.325 per hour.

Overtime—not less than one and one-half (1½) times the above rates.

Sundays and holidays—not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

STATE HIGHWAY ENGINEER'S ESTIMATE

Item 1. 80 cubic yards structure excavation.
Item 2. 77 cubic yards structure backfill.

Ordinance No. 438

ORDINANCE AMENDING ORDINANCE NO. 294 OF THE CITY OF DALY CITY

The City Council of the City of Daly City does ordain as follows:

WHEREAS, pursuant to Ordinance No. 294 of the City of Daly City, the Planning Commission of the City of Daly City has proceeded toward the rezoning of certain properties hereinafter described; and

WHEREAS, the Planning Commission of the City of Daly City has approved said rezoning; and

WHEREAS, said matter was set for hearing on the 11th day of February, 1957 at the hour of 8:00 o'clock P.M. at the Council Chambers, City Hall, Daly City, California; and

WHEREAS, the publishing and posting of said hearing was completed in conformity with said ordinance; and

WHEREAS, the City Council finds that said land is suitable for use as proposed and is in harmony with the general purpose of said ordinance,

NOW, THEREFORE, said Ordinance No. 294 is amended so as to change the zoning classification of those certain properties in the City of Daly City, County of San Mateo, State of California, described as follows:

Alleged Drunk Driver Demands Jury Trial

Jury trial for a defendant on a drunk driving charge was set for March 28 Tuesday by the municipal court.

Nadine Quinn of Burlingame, arrested by Broadmoor police on February 28, pleaded not guilty and had trial date set by Judge Thomas L. Bocci.

Leo Joseph Fournier, 2668 San Jose avenue, San Francisco, appeared for jury trial on the same count on a January 24 Daly City arrest, but it was dismissed after he pleaded guilty to reckless driving. He was fined $200.

INVITATION FOR BIDS SITE DEVELOPMENT FOR WESTMOOR HIGH SCHOOL

Notice is hereby given that the Jefferson Union High School District, San Mateo County, California will receive bids for furnishing all labor, material, transportation, plant and services for the Site Development of the Westmoor High School upon public school property bounded by Westmoor Avenue and Northaven Street, Daly City, County of San Mateo, State of California and all appurtenant facilities on the school site; each bid to be in accordance with the plans and specifications and other contract documents now on file with the Board of Trustees of the Jefferson Union High School District, San Mateo County, California and at the office of the Architect, Mario J. Ciampi, Architect, Allyn C. Martin, Associate Architect, 425 Bush Street, San Francisco, where they may be examined and copies obtained by General Contractors licensed by the California State Contractors License Bureau, upon deposit of a certified check in the amount of twenty five dollars ($25.00).

Bidders are responsible to see that they obtain a complete set of plans, specifications and Contract documents covering the work upon which they submit a bid. Bidders are hereby notified that the wage scale prevailing in this area has been adopted by the School District, and set forth in the Contract Documents as the rate which shall be applied to this contract. The wage rate applicable for a craft not hereinafter listed shall be the rate prevailing for said craft as adopted by the San Mateo Building and Construction Trades Council.

Each bid shall be made on a separate form that is included in the specification and shall be accompanied by a certified cashier's check or a bid bond for at least ten (10) percent of the amount of the bid made payable to the order of the Jefferson Union High School District, 375 S. Mayfair Avenue, Room 217, Daly City, San Mateo County on or before 10:00 A.M. March 22, 1957 of said day when all bids will be opened and publicly read aloud.

The above-mentioned checks or bonds shall be given as a guarantee that the bidder will enter into the contract if awarded to him and will be declared forfeited if the successful bidder refuses to enter into said contract.

The Board of Trustees of the Jefferson Union High School District reserves the right to reject any or all bids and to waive any informality in the bid.

No bidder may withdraw any bid submitted by him for a period of 30 days after the date set for the opening thereof.

Veteran Firemen Gather For 31st Annual Banquet

The Daly City Veteran Firemens' association held their thirty first annual banquet Saturday evening at the Colonial Steak Pit. Seventy five members and guests attended.

The annual banquets are held to pay honor to the outgoing president, and to introduce the new officers for the year.

President Mel Hanson called the banquet to order and after a short welcoming address, introduced Arthur Bodien as master of ceremonies for the evening.

Bodien gave a thumb nail account of how the Veteran Firemen's association was started, and asked Secretary Gus Ford to read the minutes of the first meeting of the association. The minutes showed how the association was started and the first officers installed. They were President Fritz Hanson, Vice President W. Regan, Second Vice President Al Green, Secretary Edward Ford, Treasurer A. Romer, and Marshal Hugo Rickman.

Bodien noted that the first president and the president today both bear the same surname, revealing that they were father and son. The senior Hanson would have been proud to know his son followed in his foot steps, Bodien related. Secretary Gus Ford was requested to read the names of the Veterans who have passed away since 1926. After the names were read, Wayne Alexander sang a funeral song.

Bodien then requested Past President and Fire Chief Elmer Kennedy to present Ernest Parminter, outgoing president, with the traditional gold ring of office. Chief Kennedy paid tribute to Parminter and told him to wear the ring with pride, and in good health."

President Hanson praised the work of Ford and Treasurer Larry Shaw. He also thanked the banquet committee chairman, Fred Mather, and his committee for the "fine job they did in making the arrangements for the banquet and the decoration of the hall."

Hanson also expressed his thanks to the Widows' and Orphans Association for allowing the Veterans to operate the concessions at the fire departments annual ball. The ball will be held May 11.

The officers for the year are President Mel Hanson, Vice President Bill Brush, Second Vice Steve Passafiume, Marshall Wayne Alexander, Secretary Gus Ford and Treasurer Larry Shaw, H. H. Smith Sr. and Elmer Kennedy, chaplins.

Beeswax is used in the modern automobile as wire insulation, adhesive, and lubricant, according to the National Automobile Club.

Brisbane To Ask Voters For School Tax Increase Again

Brisbane Elementary School district trustees Monday night ordered another election May 17 to raise the maximum tax rate. The tax rate increase failed by only three votes on February 19.

The proposal, defeated 312-309 last month, would permit raising the tax rate from the present $1.65 per $100 assessed valuation to $2.45.

The May 17 date would coincide with the regular county-wide trustee elections.

Members of the audience at Monday's meeting formed a citizens committee to campaign for the higher tax rate. Dick Schroeder, pioneer Brisbane businessman, was named general chairman, while Ruby Edwards, active in community civic affairs, was selected co-chairman.

A planning committee will be announced in the next few weeks.

Crockerites Report

FIFTH GRADE
MRS. CLARKE
By Steven Willis

Our trip to KRON was a nice one. We had company on the bus—Mrs. Rodriguez, Mrs. Gruber and Mrs. Schmale. It was a pleasure to have them with us. When we went into the studio, we met Mrs. Mona Baker and she was very nice, too. She talked to us and we enjoyed listening to her. After that we met Dr. Earl Herald, host of the "Science In Action" program. He showed us one of his experiments on "magnetism." It was about a tank, a piece of lodestone, and a magnet. He put the lodestone on a sponge with a magnet, then he made the lodestone point in a north-south position.

Then another man showed us around the studio. We were shown the Fireman Frank scene, the Popeye scene, and another scene. After that a man took our picture.

After visiting KRON we went to Chinatown. When we got there we went shopping. We bought some chopsticks, fans, knives and other things.

We went to a Chinese restaurant for lunch. We had rice, sweet and sour spare-ribs and some Chinese noodles.

We all enjoyed the lunch and the trip.

FOURTH GRADE
MRS. GARDNER
By Pamela Gray

Our class has learned our "six table" in arithmetic this week. Now that we know them, they are easy.

Every Thursday we listen to the Standard Hour broadcast and a science broadcast. We are learning about insects. We made a chart that has an insect with all the body parts labeled.

At the end of the month, we are going on a trip to a farm, because at that time we will be studying about farming in modern California.

Top Teacher 'Wins' Trip To Conference

Miss Cecile Paynter, Westlake school fifth grade teacher, Wednesday night was selected by lottery from three other outstanding Jefferson Elementary School district teachers to attend conference of the Association for Childhood Education International April 21-26 in Los Angeles.

Administrators could not decide between three of the top teachers, so a drawing was held to determine which teacher would attend.

BRISBANE HOT ROD CLUB WORKS ON RE-VAMPING 'A'

Brisbane Traction Masters Auto club are in the midst of their most ambitious project—installing a '56 Chevrolet V-8 engine in a Model A Ford.

The Brisbane auto clubbers do their 'dragging' on strips at Santa Rosa, San Jose and Lodi and enter their cars in competition sponsored by the National Hot Rod association.

The club's garage is located next to Red Williams body shop on the Bayshore highway, where they do all their mechanical work.

Officers of the club are: Bob Booth, president; Ray Vuillemainroy, vice president; Waldy King, treasurer; Dick Hosking Jr., secretary.

Dance Studio Burglar Makes Equipment Haul

A burglar invaded the Mason-Kahn Dance Studio, 6240 Mission street, last weekend and made off with two microphones and two amplifiers.

Stanley D. Kahn, co-owner, estimated the loss at $125. Entry was made by prying open a window at the rear of the building, police said.

ROCCHI — To the wife of Robert O. Rocci, 7 Market street, February 22, a daughter.

Car Dealer's Hopes Up, Wane Again

Auto dealer Thomas Drake attempted to show Monday night that the city could not revoke his license, since the auto business he operates at 6854 Mission street is a corporation.

But his revelation appeared to have placed the 27-year-old dealer in more hot water, as City Attorney Frank Blum pointed out that no city business license had been legally issued to a corporation, only to Drake as an individual.

The city attorney last week presented evidence to revoke or suspend Drake's auto dealer license, on the strength of his conviction last year on five counts of illegal advertising.

The council was scheduled to act on the issue Monday, having heard all the evidence earlier. The hearing was re-opened, however, when Drake showed his business license made out to Drake Auto Sales, Inc., on January 17, 1956.

No Authority

This appeared to hamper the city's case, but Blum set Drake's hopes aback when he revealed that no one had authority to transfer the license from Drake as an individual to Drake as a corporation.

Drake admitted he had never applied for a license under name of the corporation, only as an individual.

Drake said shareholders in the firm were his mother, Mrs. T. A. Biddle, and brother, Stewart Biddle.

They took no active part in the operation, and did not share in profits since there were none, Drake said, after he took out his $1000 a month salary.

Nothing To Revoke

Since Drake did not re-apply for a license under the new name when he incorporated, Blum held that "there is really nothing to revoke as he shouldn't have been operating."

Blum advised, however, that the council send out a new notice to Drake under the corporation's name, just to be safe, and proceed with the revocation hearing.

The council agreed, and set March 25 as date to resume the hearing.

JEFF OTTINGS
By Alda Caggiano

The spring session of the P.A.L. confereence will be held Saturday, April 6, at Hillsdale. Fourteen students will attend and participate in various discussions with students from schools in the league. Students who will take part in this conference and their respective categories are Lorie Johnson and Bunny Barone, president's council; Karen Savage and Bruce Freeland, class activities; Sandy Enloe and Gerry Bertetta, school finance; Phyllis Thur and Tom Cloutier, sports and school spirit; Marilyn Delbon and Deanna Dolan, preparing for college; Edyth Guidry and Beth Brownlee, student campaigns and elections; and Ray Navarra and Bill Strassburger, minimum voting requirements.

Broadway Style

A play reading of a well-known Broadway play, running for about one hour and ten minutes, will be presented in the auditorium on March 28 at 8 p.m. Admission is 50 cents per ticket and may be obtained from Mrs. Kramer or at the doors. Any student selling five tickets will receive one free of charge.

Principal speaker at the recent PTA meeting held Thursday at the Brisbane Elementary school was Mrs. Ralph Hale Stinson, a member of the Speaker's Bureau, who represented Station KQED. She spoke on the influence of television in the community.

Less than three weeks remain until the first presentation of the spring play, "Taming of the Shrew," to be given on April 4 and 5 in the auditorium by about 25 Jeff thespians. Rehearsals are progressing quite rapidly, much to the satisfaction of all concerned. The cast consists of Richard Hall, Baptista; Mike Calvello, Petruchio; Roger Filipelli, Lucentio; Ray Navarra, Hortensio; Ron McLain, Tranio; Harold Sharp, Gremio; Sandy Karn and Jessie Edminster, Katharina; Florence Verducci and Karen Gerdes, Bianca; Emily Thomas, the Widow; Susan Knedel, Sussanah; Joe Gostanian, Christopher Sly; Jim D'Amour, the Lord; Sandra Campbell and Lola Patron, Hostesses; Nancy Golladay, Huntsman; Mary Ellis, Servant; Dick Lair, Biondello; Linda Sarienen, Curtis; Johanne Ekert, Bridget; Gail Duncan, Milliner; and Wilma Tholen, Nancy Golden, and Sandy Briggs, the Pages.

Theatre-Goers

Last week the Trindians attended the Coronet theatre to see Mike Todd's "Around the World in 80 Days." Among those present were Johanna Hedvall, Jill Dougherty, Barbara Bauer, Joan Bauer, Beth Brownlee, Edyth Guidry, Karen Gerdes, and Susan Knedel.

The senior class presented their dance, "Shipwreck Shindig," last Friday in the school cafeteria. Approximately 250 students attended in casual attire, and added to the merriment by sipping "jungle juice" between dances. The long-awaited announcement proved to be a joyful one for Jill Dougherty and Del Scott, who discovered much to their surprise that the students had chosen them to reign as "King and Queen Beachcomber."

The sophomore assembly, scheduled to be presented Wednesday, March 27, may have to be postponed because of conflict with the practice for the school play in the auditorium. Many eager members of the class attended the first meeting called for this purpose and have high hopes of equaling the efforts of the juniors and seniors in their previous assemblies.

During this past week, new student body cards have been issued by the vice president, Bill Strassburger, and old ones have been validated.

Obituaries

Mrs. Mary Sickman

Services were conducted Monday at W. C. Lasswell's for Mrs. Mary Sickman, 440 Southgate avenue, who died Saturday at Community hospital after a brief illness. She was 82.

Widow of the late George Sickman, Mrs. Sickman had lived here with her daughter and son-in-law, Mr. and Mrs. Benjamin Chasen, the past four years. She was a native of New York City.

Interment was in Olivet Memorial park.

Mrs. Emilie Twesten

Mrs. Emilie Twesten, 71, wife of former Daly City councilman Julius Twesten, died last Thursday at her home in Redwood City.

Twesten served on the council here for 13 years, retiring when the couple moved to Redwood City 15 years ago.

A native of Germany, Mrs. Twesten was a member of Crocker Chapter 382 of the Order of Eastern Star.

Surviving besides her husband are three daughters, Mrs. Alice Natusch, Mrs. Margaret Linnes, and Mrs. Irene Barthel; two brothers, Hans and Herman Witte, both in Germany, and five grandchildren.

Crocker Chapter conducted memorial services Sunday at the Patterson and O'Connell Funeral Home. Funeral services were held Monday, followed by entombment in Cypress Lawn Catacomb.

Mrs. Stella Clayton

Funeral services were held here Wednesday for Mrs. Stella Clayton, 425 Santa Barbara avenue, wh odied of natural causes Monday at French hospital.

A native of San Francisco, she is survived by her husband, Charles; two children, Charles F. and Mrs. Shirley Smith; a brother, Walter Granlund, and four grandchildren.

Last rites were conducted at W. C. Lasswell's. Interment was at Cypress Lawn cemetery.

Grace S. Watson

Funeral services were held Wednesday in San Francisco for Mrs. Grace Spanger Watson, 262 North Mayfair avenue, who was found dead, apparently from natural causes, in her home Monday morning. She was 63.

A native of Holland, she had been an employee of See's Candy company in San Francisco the past 20 years.

Only local survivors are a niece in San Lorenzo and two nephews.

Last rites were conducted at Gantner-Felder-Kenny company. Inurnment was at Woodlawn Memorial park.

McEmory Sams

Funeral services were held Thursday morning for McEmory Sams, 73, of 32 Flournoy street, who died Monday in a South San Francisco hospital.

Employed by Republic Steel Company, he was a member of Blacksmiths' Union Local 1168 and United Steel Workers' Union Local 1069.

Survivors include his wife, May, and three sons, William T., LeRoy F. and Harry E. Watson.

Services for the Ohio native were conducted at W. C. Lasswell's. Interment followed in Olivet Memorial park.

Jeff Nine Bounces Serrans, 6-2, Behind Ed Leveroni's Six-Hitter

Finally given the green light by the weatherman, Jefferson's varsity horsehiders swung into action Wednesday afternoon with a 6-2 practice win over Serra at Marchbanks Park.

Steve Mezzera's lads return to Marchbanks this Friday to tangle with Cubberley of Palo Alto. First pitch will be tossed at 3:15 o'clock.

Ed Leveroni, Jeff's top hurler, checked the Padres on a nifty six-hitter Wednesday. Big inning for the locals was the fourth when they unloaded for five runs to erase a 1-0 Serra lead. The invaders got their final tally in the top of the seventh.

Ino Patron led Jeff's nine-hit assault with two singles and a double. Shortstop Mike Wedlake slashed two singles, and first baseman Barry Haanen's triple in the fourth was the game's longest blast.

Loaded with vets and title timber for sure, the Tribe won't open North PAL play until Tuesday, March 26. Foe will be Carlmont at Marchbanks.

Local baseball fans will get plenty of action at Marchbanks this spring. Both Jeff and Westmoor will stage all their home tilts there. The Tribe has no less than nine league games at home.

Blessed with plenty of reserve strength, Mezzera still is looking for better combinations.

Righthander Paul Tapia is expected to hurl against Cubberley. Haanen will come in from the outer garden to fill Tapia's regular first base slot.

Mezzera probably will start Del Scott in left, standout Tom Cloutier in center, and Lou Arrighi in right. Haanen's infield mates will be Patron at second, Wedlake at the short patch, and strong-armed Leroy Franzoia at third. Bill Strassburger will be behind the plate.

Serra game, inning-by-inning.

Indian Thinclads Flatten Knights, Lose To Panthers

Shaking out the kinks and ready to roll, Jefferson's track forces clash with Carlmont this Friday afternoon in their third outing of the new campaign.

Coach Bob Watt's varsity smashed Hillsdale in their debut Friday by a landslide 92-21 count. But the locals were nipped Tuesday by Burlingame, 57-56.

The Indian thirties suffered setback number two by losing to Blingum, 87 - 26. Hillsdale outlasted them last week, 66⅓ to 46 2/3.

Twenties Roll

Watt's twenties streaked to their second duel win as they throttled the Panthers, 42-35. The lightweights clobbered the Knights Friday by a 65-12 tally.

Blingum's sweep of the broad jump and Jeff's failure in the dashes meant the difference Tuesday, Watt moaned. Counting heavily on his sprinters, the young mentor experienced a letdown.

Best the Tribe varsity could do in the dashes was Len Lamendola's third place finish in the 100 and a second in the 220. Sonny Martinez, another top Tribe swiftie, managed only third in the 220.

Coach Hopeful

Watt, however, confident his varsity can finish the best in the North PAL, has many reasons for optimism. Several of his aces posted top performances Tuesday.

Dan Miceli copped the 440 event in 53.8, his best time to date and making him a solid contender against all comers.

Jeff finished one-tow in the 880, with Dave Calloway taking the jaunt in 2:06. Close behind was teammate George Bullwinkel.

Felix Valdez surprise in the mile, wrapping it up in 4:48 on his second try at the distance. Andy Estigoy, other member of Jeff's one-two punch, ran second.

Husky Jim Farley dominated the field events, grabbing first in the shot and discuss. Vaulter Jeff Chase had an off day and wound up third with a leap of 11-6.

Jeff's relay team outdistanced the Panthers with a 1:34.5 clocking.

Chase and Farley paced the rout of Hillsdale. Jeff swept the pole vault, 120-yard high hurdles, and deadlocked for first in the high jump. Jim also posted two wins, putting the shot 47 feet 11 inches and tossing the discus 121 feet 11 inches.

Mecchi Stars

Carl Mecchi headed the Tribe B's with two first places. He rammed the shot 36 feet 5½ inches and sailed the discus 91 feet one inch.

John Margaroni helped dynamite the Knight twenties by scoring firsts in the 75- and 150-yard dashes. Gordy Tydingco took the low hurdles and the high jump.

Tydingco broke the school record in the high jump Tuesday with a leap of 5 feet 2 inches. He also swept the hurdle events. Margaroni continued to blaze with firsts in the dashes. Freshman John Crowhurst impressed by heaving the 8-pound shot 39 feet 5 inches.

Next foe for the locals after Carlmont is Capuchino on Friday, March 22.

Jefferson Mermen Battle Capuchino, Swamped By Scots

Spanked badly in their North PAL debut last week against Carlmont, Jefferson's swimmers hope to bounce back this Thursday against Capuchino in San Bruno.

Joe McGrath's mermen warmed up Tuesday by dunking Balboa in all three divisions. Scores: varsity, 58-16; thirties, 59-2, and twenties, 42-7.

Phil DeLucchi, first in the 100-yard breaststroke, and Bill Magee, copping the diving event with a total of 80 points, paced the varsity in the practice meet. DeLucci's time, 1:09.1, was impressive. League record is 1:03.

Jeff's B's were gunned by Jim Ahern, 50-yard backstroke winner, and Fred Howard, first in the 100-yard breaststroke and anchor man on the winning relay unit.

Dick Curry was a double winner for the C's, taking the 100-yard backstroke and breaststroke duels.

The powerful Scots made easy work of the Indians Friday. Scoring (varsity through twenties): 62-15, 58-10 and 44-6.

McGrath's water brigade travels to Hillsdale next Thursday and hosts Galileo in another practice test the following afternoon.

San Pedro Pin Busters Knot League

San Pedros' Lunch's stretch-driving keglers, paced by Del Fehl and Paul Purpora, pulled even with McGahey & Olson at Brentwood Bowl Tuesday night.

The spaghetti benders tied for the top spot by taking two games from Daly City Cleaners. M & O slipped as they managed only one win over Westlake Homes.

Both squads have 46-29 records with only four weeks to go.

Fehl rolled a 562 series against the Cleaners, and Purpora compiled a creditable 552. P. Collodi's 510 topped the laundrymen.

A 564 series by L. Bissen featured Westlake's nod over McGahey & Olson. Eddie Achziger posted a 577 for the M & O combine.

Two whitewashes were chalked up Tuesday night. Luce Meats blanked Edisco and Plaza Furniture copped three games from lowly Paul's Flowers.

Brisbane Market kept within striking distance with a 2-1 triumph over Donnellan Realty. The baysiders are only two games out, still in the running.

Losing two games to Thur Meats dropped Towne House to fourth place with a 43½ - 31½ mark. In that one, Babe DuLucca of the pubmen tallied both high singles and high series for the evening. He compiled a 216 second game and a series of 604.

Other results found 2-1 verdicts registered by Carmona Chemical over Bank of America, and Carlo's Pizzeria over fifth place Vince & Fred's.

The front runners have it easy next week, but they can't afford to get careless. San Pedro battles improved Edisco, while McGahey & Olson meet the bankers. Towne House squares off against Vince & Fred's, and Brisbane tests Plaza Furniture.

DALY CITY - COLMA LEAGUE

San Pedro Lunch	46	29
McGahey & Olson	46	29
Brisbane Market	44	31
Towne House	43½	31½

Van Nest Announces New Slate For City Rec Directors, Parks

New assignments for Daly City's recreation supervisors were announced today by Dee R. Van Nest, city director of parks and recreation.

Following changes were made: Marchbanks Park — Harry Aronson (Monday through Saturday) and Marvin Comstock (Sundays); Lincoln Park—John Belforte, Edgewood Park—Thelma Steele; Westlake Park—Michael Sibitz (Monday through Saturday) and Richard Warne (Sundays); Community Center—Richard Watson (days), Robert Rodrigo and Frank Ingersoll (nights).

The playgrounds are open for supervised recreation on weekdays from 3:30 to 5 p.m., and from 10 a.m. to 4 p.m. on Saturdays.

Community Center is open each week day from 3:30 o'clock to 5 p.m., and all day Saturday.

On Sundays, Westlake Park offers supervised activities from 9:30 a.m. to 5 p.m., and Marchbanks from 10 to 5 o'clock.

Rams Whip Wilmerding In Crazy Battle, 8-6

Westmoor pounded out an 8-6 win over Lick Wilmerding's nine Wednesday afternoon in a wild tilt at South San Francisco.

Dave Simmons went the route for the Rams, allowing only two hits, but walking 11 batters.

Carby West got three of the seven Westmoor hits. His biggest was a double.

The Rams stole 14 bases in the ragged affair, twice sneaking home.

Cubberley Nudges Rams In Diamond Debut, 2-1

Westmoor's experience-shy baseball nine, hard luck losers in their debut last week, take to the road this Friday for a game with O'Connell High.

Dutch Meyer's Rams dropped a 2-1 decision to Cubberley in Palo Alto last Friday in a well-played seven inning affair. Both enemy runs were unearned, making the loss doubly hard to swallow.

Dave Simmons went the route for W'moor, allowing only four hits and fanning a like number. The Rams stroked two hits, singles by Rich Hottal and Gary Twitty.

The Cubberley runs came in the fifth and sixth frames on Ram errors. Outfielder Sid Swanson tallied for Westmoor in the top of the seventh. He got on via a walk, stole second, rolled to third on a sacrifice, then stole home.

Meyer was impressed with his team's defensive play, particularly third sacker Mike Deal, who keyed a twin killing.

The Rams were scheduled to meet Lick Welmerding Tuesday. Results were not available at press time.

Meyer is still shuffling his 19-member squad. His regulars this week are Bob Woodworth, first base; Gary Houston, second; Carby West, short; Deal, third; Jumbo Sarro, behind the plate; and outfielders Hottal, Swanson and Twitty.

Additional hurlers are Marty Knedel, Rich Hurley and West. Meyer plans to use Simmons at third when he's not on the mound.

Adult Swim Class Set At Jeff Pool

A new adult swimming class will begin next Wednesday night at Jefferson High pool, athletic director Mike Orlich announced today.

Instruction will be available to beginners, intermediate and advanced swimmers. The one-hour classes will be held on Wednesday nights for a five-week period. Starting time is 6:30 o'clock.

All adults in the Daly City-Colma area are urged to register for the training by calling Orlich at PL 5-2511, or in person Wednesday night. A course fee of $3 is charged per individual.

The Jeff pool is open on Monday, Wednesday and Friday nights this month, Orlich said, because on Tuesdays and Thursdays the pool is reserved for county-sponsored water safety classes.

The pool is open to the public on Saturday afternoons from 2 to 4 o'clock.

Colma Cagers Divide Polio Benefit Tilts With Faculty Quint

Colma School's cagers broke even with the Faculty five Friday in their annual "March of Dimes" benefit games at War Memorial building.

The Dragons, intramural champs, dumped the profs in the first game, 21-19, behind Sonny Stroller's 14 points. The Trojan varsity, however, dropped the second tilt by a 32-17 count.

The spirited contests netted the polio campaign approximately $25, according to Dennis Huarjardo, physical education coordinator.

Warm Weather Hikes Brisbane Rec Turnout

Attendance in the Brisbane recreation program took a jump of 300 last month over the previous month, Clarence Lair, director, reported today.

Warmer weather and two successful party dances were listed as reasons for the increased attendance which hit 1800 in February.

Many outdoor activities are being planned for the spring season, including an evening adult softball league.

BURLINGAME NEXT

W'moor Spikemen Impress In Debut

Impressive in defeat last week at South City, Westmoor's thinclads engage in their third North PAL dual meet this Friday afternoon at Burlingame.

The soph-studded Rams showed plenty of promise although losing in all three divisions to the War riors.

South City's varsity prevailed, 59½ - 48½, a surprisingly close victory considering Westmoor's status as a first-year squad.

The Rams thirties also came close, 61 - 52, while the twenties, were overwhelmed, 59-18.

Westmoor's varsity swept the mile event, finished one-two in the 120 high hurdles, and registered another first in the 880.

Soph Dave Dunbar was clocked in 5:22 for the mile, with Young and Schweitzer right on his heels. Enslen and Rich Lewetzou took the high hurdles. Enslen's winning time was 18.8. Rich Burnham captured the 880 in 2:14.9.

Ram Rosenberg took the spotlight in the thirties division, as he swept the 75- and 150-yard dashes.

Ribera's squad met Carlmont on the Scot oval Monday. Results were unavailable at press time. The Rams meet San Mateo on March 22.

Dragons, Cats, Eagles Nab Colma Cage Titles

Approximately 200 boys on 24 teams competed in the recent intramural basketball leagues at Colma school.

The Dragons, American League champs, grabbed the eighth grade title by downing the Cats, National League finalists, in a battle of unbeatens.

Seventh grade titlists were the NL's Cats and the AL's Screaming Eagles.

Next sport on the school slate is intramural soccer. Play will begin later this month.
